MAYO  
CLINIC

“With extremely high energy, great variety, and amazing creativity when it came to props and acting, “The Dweebs” lit up the park! Our festival had its largest Saturday night concert in years, in terms of attendance. They catered to everyone from teenagers to seniors in a manner that was not only musically appealing, but all around entertaining. “

*-Kara Ruge, Festival Director – The North Iowa Band Festival*

“The Dweebs... are an energetic and crowd interactive type band. They are unique in a way that gets the whole crowd smiling, dancing and wanting to get to know the band members. They go into the crowd to sing and dance, they throw their merchandise, like dweeb eye glasses, ties, t-shirts, cuseys and CD's, into the crowd, and during their breaks they are available to talk to and get autographs from. They are happy to take pictures with their fans.”

*- NorthIowaToday.com Staff 5/29/11*

“With pocket protectors, high-water plaid pants and nerdy glasses, The Dweebs may be the dorkiest band in the Midwest ... or even the Universe.”

*- Julie Wroblewski, The Lakeland Times – Minocqua, WI 8/5/11*

“It makes us extremely proud to have had The Dweebs take this year's Festival crowd for a great journey with your music.”

*- Paul Nelson, Cumberland Rutabaga Festival*

“I am so proud to know this group of outstanding musicians/performers and recommend them to anyone for any occasion! They have the unique ability to draw the crowd right into them from the get go and delight everyone from the very young to the young-at-heart. They thrilled us and I'm sure would do the same for you!”

*- Pauline Rhoades, Yankton Riverboat Days*

“The Dweebs state they are the ultimate party band. In my opinion they are right.”

*- Gypsy, Flamethrower Magazine*
